

GERMAN PAVILION

Date: 26.10. – 28.10.2026

Exhibition location: Riyadh International Convention & Exhibition Center – RICEC

ACHEMA Middle East 2026 will take place for the first time in Riyadh and is considered a key trade fair for the process industry in the Middle East. More than 400 exhibitors from over 60 countries will showcase technologies for the chemical, pharmaceutical, biotech, energy and environmental sectors. The event promotes international networking, investment, and cooperation in line with regional industrial and development strategies. New innovation and workshop formats enable hands-on knowledge exchange and professional development for all target groups.
